Dear 

Now that your summer assignment is drawing to a close, I would like to thank you for your good work at JPRS. You cheerfully moved around from section to section, helping out wherever you were needed. The assistance you provided to ELAA Section, where in the last three weeks you took over virtually all the routine clerical tasks, was particularly appreciated.

Your colleagues have enjoyed having you work with them and join me in wishing you all the best for the coming school year, as you continue your studies at Salve Regina-The Newport College.

Sincerely,
